Accessor

Digital Dividend
Concept - Design - Develop

- Accessor Sweden is the pioneer in the Swedish industry to develop, deliver, operate and support GPS positioning solutions. Digital Dividend has developed their front-end and back-end with Tracking mechanism and software.

The screenshot displays the Accessor telematics dashboard. On the left is a dark sidebar with navigation options: Dashboard, Map, Trips, Vehicles, Drivers, Areas, Reports, and Translation. At the bottom of the sidebar is a user profile for Abdul Basit, Administrator. The main area features a map of Sweden with a filter for 'Leveransklara pTag-200'. A tooltip for vehicle U-2132055435 shows its status as Stationary, updated 2 months ago, with excellent health for both the vehicle and unit. On the right, a 'LIST VIEW' panel shows a table of vehicles:

SupportKnappen

Digital Dividend
Concept - Design - Develop

- SupportKnappen is the Sweden's first, and only, on-demand location-based service for technical support and assistance. Digital Dividend has developed their Website and a complete back-end Solution with CMS and Admin Panel to control and manage the content.

The screenshot shows the website's interface. At the top, there is a navigation bar with the logo 'SupportKnappen.se' and menu items: 'START', 'OM OSS', 'TJÄNSTER', 'SÅ FUNGERAR DET', and 'LADDA NER SUPPORTAPPEN'. On the right side of the navigation bar, there are social media icons for 'Tipsa en vän', 'Twitter', 'LinkedIn', and 'YouTube'. The main content area features a large background image of a man with glasses looking at a smartphone. Overlaid on this image is a large blue text box with the headline: 'Vänta! Vi kan fixa din sega dator'. Below the headline, there is a paragraph of text: 'Vi hjälper privatpersoner och mindre företag med deras tekniska problem. Allt från struliga datorer och mobiltelfoner till flimrande TV apparater, smarta eller osmarta.' Below this text is another line: 'Ring oss idag så hjälper vi dig!'. On the left side of the main content area, there is a mobile support form titled 'Jag behöver hjälp'. The form includes a 'LOGGA IN' button, a 'Ring oss nu!' section with the phone number '08 120 23 200', a 'Bli uppringd av oss!' section with a 'Ditt nummer' input field and a 'Ring mig!' button, and a 'Beskriv ditt ärende direkt' section with three dropdown menus: 'Ditt problem', 'Personuppgifter', and 'Kontaktuppgifter'. At the bottom of the form is a 'Skicka ärende' button with the subtext 'En tekniker kontaktar dig inom kort.' and links for 'Användarvillkor' and 'Distansförsäljningslagen'.

Loyalty App

- Loyalty App is a mobile app that allows consumers to view their nearby Restaurants on-the-Go. Apps make sure that its users are up to date with all the available discounts on their Credit cards and also track user's location and asks for feedbacks!

Menyoo (Restaurant iPad App)

- Menyoo is a loyalty mobile app that allows consumers to collect and redeem loyalty rewards and Stars at their favourite outlets using phone.

The image displays four screenshots of the Menyoo app interface:

- Home Screen:** Features the "MENYOO" logo, the text "Start collecting your loyalty stars for every visit and get rewarded", and two buttons: "Redeem" and "History".
- Check In Screen:** Prompts the user to "Check In With Mobile Number" and shows the number "+6000-0000 000" for "Johan". It includes a numeric keypad (0-9, *, #) and a "Collect" button.
- QR Scanner:** Instructs the user to "Scan QR Code with MULAH app" and shows a QR code. Below the code, it says "Hold phone 6\" to 8\" from screen".
- Dashboard:** Displays four statistics: "Awarded 369", "Stars Claimed 3100", "Total Users 447", and "New Users (Past 7 days) 0". Below this is a "e Caffe" section with a "Rewards Redemption" chart. The chart shows "Stars Awarded" over time (9/5 to 15/9) and a legend for rewards: "Free Any 1 Coffee (2500)", "25% Off Food Items (500)", and "Free 1 Breakfast Item (0)".
